MEMORANDUM FOR: Chief, Engineering Support Division, TSSG

SUBJECT : Review of a Proposal

REFERENCE : Proposal - "Quality Assessment of Microscopes  
ITC/P-69-1"

1. The Development & Engineering Division is currently evaluating the proposal referenced above. Comments on aspects relating to your Division are requested.

2. Topics of particular interest include but are not limited to:

a. The value of such standards in your testing and evaluation of optical equipment.

b. Recognition and nature of details, either unclear or omitted, which should be resolved before a final decision is made.

3. In order that the evaluation be completed as scheduled, the reply is requested by 7 March 1969. Your cooperation is appreciated. For additional information, contact [redacted]
